Professional Development Leadership Training for School Board Members

January 10, 2013

IASB is organized by member school boards as a private not-for-profit corporation under authority granted by Article 23 of the Illinois School Code.

This online course satisfies the mandatory four-hour board member training requirement of P.A. 097-0008. P.A. 097-0008 calls for instruction in education and labor law, financial oversight and accountability, and fiduciary responsibilities.

The training must be completed *within a year after [June 13, 2011] or the first year of his or her first term.*

The school district shall maintain on its Internet website, if any, the names of all voting school board members who have completed the training.
