SCHOOL CROSSING GUARDS NEEDED

The Libertyville Police Department is looking for School Crossing Guards to help our children safely cross intersections in our school district.

Crossing Guards must be available for 1 hour in the morning before school, and 1 hour in the afternoon after school, Monday thru Friday during the school year. These are paid part-time positions with the Village of Libertyville. Guards are assigned to specific intersections for the duration of the school year and must be able to provide their own transportation to and from their assigned intersection.

Applicants must be 18 years of age or older, successfully pass a background check prior to employment, have good eyesight and hearing, and be capable of standing for up to an hour ***in all weather conditions***.

Crossing Guards must be pleasant, courteous, and helpful to all members of our community. Parents, grandparents, and retirees are encouraged to join our team of dedicated professionals who help ensure the safety of children in our community.

Why are Crossing Guards so important?

- They provide safety for your children at school crossings
- They escort children across the street going to and from school
- They help prevent children from crossing in unsafe traffic conditions
- They observe and report suspicious vehicles or persons around the school area

How do I become a School Crossing Guard?
