Meet & Greet
Thursday, August 20th

Teachers are very excited to meet students in person, safely. While picking up devices and supplies, your child will have the opportunity to meet his/her teacher and classmates in person before starting e-school. If you need to address concerns or have specific questions pertaining to your child, please email your child's teacher to schedule a different time to do so. This time is reserved for classmates to meet one another and make some initial connections.

Please read through these directions, to make this a safe and fun event for everyone:

- This is an outdoor event, weather permitting. In the event of rain, the event will be switched to a drive-through system for material & device pickup only. An email with the rain plan will be sent the morning of Thursday, August 20th, if needed.
- One adult per student is invited to attend the meet and greet.
- Please wear a mask throughout the time you are on school grounds.
- Everyone should practice social distancing and remain 6 feet apart.
- Please limit your time to the 30 minute slot.

District 70 is following the guidance of the Illinois Department of Public Health and the CDC to reduce the risk of Covid-19 exposure. Before attending the event, please conduct the following health check. If you are unable to check all the boxes, please do not attend this event.

Device & Supply Distribution and Meet & Greet Schedule

Please note that teachers are only available to meet during these 30-minute time slots. We realize that this may be inconvenient for parents with more than one child to come to school at different times, but we wanted to offer this unique opportunity to build a sense of class community.
