

Dear Highland Families,

2018-2019 class schedules for 7th & 8th grade Highland Middle School students will be available online via Powerschool this Saturday, August 11th. Accounts will not be accessible before this date.

Class schedules can be accessed through parent or student Powerschool accounts. After logging into the site, an option to “View My Schedule” will appear in the menu bar on the left side of the screen if online registration has been completed. Schedules can be printed using the link on the bottom of the View My Schedule page.

If parents have forgotten their username or password, a link is provided near the bottom of the Powerschool home screen to request a reset.

Student usernames and logins cannot be reset via the link and can only be reset once students are back in school.

6th grade students will receive their schedules at the Highland Middle School Fall Preview. Information about the Fall Preview can be found using the link below.

Families new to Libertyville District 70 will be contacted by administration directly regarding their child’s schedule.

The staff at Highland Middle School looks forward to seeing all of the students on Wednesday, August 22nd, 2018, for the first day of the new school year!
