Tournament Rules

TEAMS

- All team members must check in with a teacher at the North Gym.
- Teams need to be ready and seated with your team in the North Gym/Multi-Purpose Room by 3:45. We will begin announcing the teams around 3:50. You will then be dismissed to play your first game.
- Only six people can be on the court at one time. If your team has eight people, two people are alternates and can switch in when needed.
- If your team is not playing, please stay seated in the North Gym or Multi-Purpose Room. We don't want too many students wandering around the building.
- Games will be played to a score of 25 points with a maximum of 20 minutes per game. All team members are to exude sportsmanship and character both on and off the court. Any uncooperative or disrespectful behavior may result in your team's dismissal from the tournament.
- Each team has one timeout for each game (30 seconds).
- In the event of a tie, the teams will play three more rounds/volleys. The team with the higher score at the end of these volleys wins.
- Teams are welcome to stay and watch the remaining games for free after they have been eliminated.
