

Elementary Bullying Reporting Form

Definition of Bullying:

Bullying is repeated behavior that is intended to hurt you either physically on your body or emotionally with your feelings.

Bullying can include such things as hitting, kicking or tripping, being called mean names, having rumors spread about you, being purposely excluded from your friends, being threatened, having your possessions taken or having electronic means be used to hurt your feelings or embarrass you.

Am I Being Bullied?

Please consider and answer the following questions as you think about what happened or is happening to you:

- | | | |
|--|-----|-----------------|
| • Am I being physically, verbally or emotionally hurt? | Yes | No (circle one) |
| • Is it happening repeatedly? | Yes | No (circle one) |
| • Do you feel this person intended to hurt you or your feelings? | Yes | No (circle one) |

If you answered “No” to any of these questions, please discuss your concern with your classroom teacher, principal or school social worker.

If you answered “Yes” to all of these questions, then your next step is to report the bullying by answering the following questions:
