

# Self-Directed Learning Day

## Kinder-2nd

Summarized in the choice board below are self-directed, engaging open-ended learning activities. Please circle three (or more, if you choose) activities you complete and share your work with your teacher within seven days. You can submit evidence of your learning via e-mail or by turning this paper in, along with any work completed. For some activities, evidence of learning involves circling the activity to acknowledge the activity was completed. Additional information about this activity is available on the FAQ.
